Please let Allen & Tana know how much we appreciate their ministry here at Central and wish him well at his new job position.

## From Finance Team: Payroll Protection Program (PPP)

Central Baptist Church has secured a Payroll Protection Program (PPP) loan through Centennial Bank for \$199,427.00 at an interest rate of one percent, which will start accruing at a date corresponding to the end of the COVID crisis. As part of the PPP program, the church has been informed that we may qualify for forgiveness of the loan amount based on our use, only covering the salary of our pastors and staff during the crisis. The decision as to applying for the forgiveness of the loan is pending. Members of the finance committee have prayed, consulted with pastors, taken the recommendations of the Southern Baptist Association, the Arkansas Baptist State Convention, Guidestone, and the Baptist Missionary Association of America. As a group, we are concerned about our church, keeping our pastors and staff paid so we can continue to fulfill our Godly call, and our financial obligations. More details regarding this financial decision are available upon request or may be found in print form with the church's second quarter financial reports.
